

**End of  
October,  
Friday**

**Along with the  
Spring Athletic  
Tournament,  
the Dojuku  
Carnival is one  
of Dojuku  
Academy's two  
big events.**

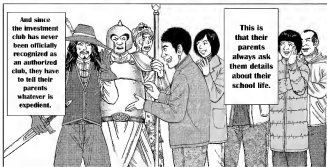

There are plenty of unique and fun activities. The famous carnival attracts multitudes of visitors.

Students of each class and club present thematic entertainment.

...but newbies to the investment club have always run into a problem.

Naturally the members of the investment club also participate in the Academy's carnival...

And since the investment club has never been officially recognized as an authorized club, they have to tell their parents whatever is expedient.

This is that their parents always ask them details about their school life.

OH,  
WELCOME.

TAKASHI

YOU  
LOOK  
GOOD  
IN THAT  
HAT.

ZAIZEN

SHOW  
ME  
AROUND  
THE  
CAMPUS.

OH,  
SURE.

I  
LOST THE  
LOTTERY,  
SO I'VE  
BEEN  
FORCED  
TO WEAR  
IT.

ANYWAY, KAMISHIRO-SAN HAS CALLED AN EMERGENCY MEETING.

YEAH.

THAT WORKED REALLY WELL.

I DON'T KNOW, BUT LET'S GO.

KAMISHIRO-SAN? WHAT HAPPENED?

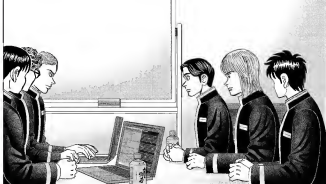

"GRADUALLY,  
KABOOM."

WHAT  
DOES  
THAT  
MEAN?

Gradually, Kaboom

"GRADUALLY,  
KABOOM."

IT'S  
THE MOST  
POWERFUL  
PROVERB  
ABOUT  
STOCK  
INVESTING:

THE MOST  
POWERFUL  
PROVERB?

THE MARKET  
GRADUALLY  
RISES OVER  
TIME, THEN  
PLUMMETS ALL  
AT ONCE.

...WHEN IT  
GRADUALLY  
DECLINES, IT  
SUDDENLY  
RISES.

OR  
ELSE..

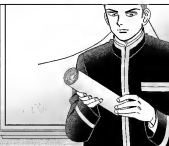

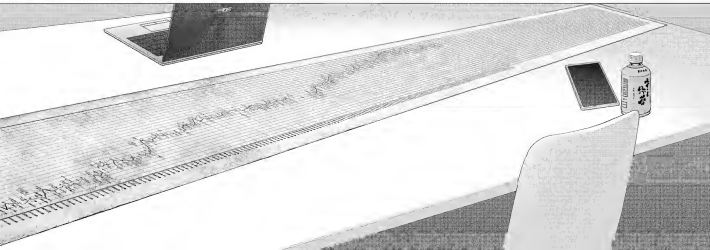

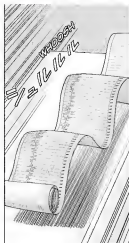

THERE ARE  
PROVERBS:  
"THREE DAYS  
ON TOP, 100  
DAYS ON  
BOTTOM," OR  
"RISING FOR  
A 100 DAYS,  
FALLING IN  
10 DAYS."

THE STOCK  
MARKET IN JAPAN  
HAS BEEN IN A  
REPETITIVE CYCLE  
OF "GRADUALLY,  
KABOOM" FOR  
APPROXIMATELY  
140 YEARS!

IN OTHER  
WORDS, EITHER  
THE RISE IS  
GRADUAL BUT  
THE FALL GOES  
"KABOOM," OR  
THE FALL IS  
GRADUAL BUT  
THE RISE GOES  
"KABOOM."

Gradually,  
Kaboom

IT'S A GRAPH  
FROM 1878 TO  
THE PRESENT,  
GOING ALL  
THE WAY  
BACK TO THE  
INCEPTION OF  
THE STOCK  
MARKET.

TH.  
THIS  
IS...

IT'S A  
SECRET  
SCROLL  
THAT WE'VE  
NEVER  
SHOWN TO  
THE PUBLIC.

IT'S PROBABLY  
THE ONLY  
RECORD OF ITS  
KIND, GRAPHING  
THE BEHAVIOR  
OF 137 YEARS  
OF JAPANESE  
STOCK MARKET  
HISTORY.

A  
SECRET  
SCROLL...

IT'S ONE  
OF THE  
IMPORTANT  
DUTIES OF  
A CAPTAIN.

BEFORE I  
GRADUATE,  
I MUST ADD  
ACCURATE  
DATA TO THIS  
RECORD  
FOR THE NEXT  
GENERATION.

AND THE  
FIRST  
PERSON TO  
ENTER DATA  
ON IT WAS  
RYUGORO.

THIS  
CLUB IS  
AMAZING.

I CAN'T  
BELIEVE  
IT'S BEEN  
CONTINUED  
FOR 137  
YEARS  
WITHOUT  
A BREAK.

THAT'S  
RIGHT.

KAWISHIRO-  
SAN, ARE YOU  
SAYING THE  
BULL MARKET IS  
GOING TO  
COME TO AN  
END SOON?

THE  
KABOOM IS  
COMING.

ALL RIGHT,  
EVERYONE!

SELL!  
SELL!
